

ARCLIGHT CLOSES ITS FOURTH FUND AT 2.1 BILLION

7/3/2007

BOSTON, MA (July 3, 2007) --

ArcLight Capital Partners, LLC ("ArcLight"), one of the world's leading energy investment firms, today announced the closing of ArcLight Energy Partners Fund IV, L.P. ("Fund IV") with \$2.1 billion in capital commitments. The closing of Fund IV comes only 15 months after the firm closed its \$2.1 billion third fund, ArcLight Energy Partners Fund III, L.P., bringing the firm's total capital under management to over \$6.8 billion. ArcLight has invested \$4.6 billion of its capital in 75 energy investments since the firm was founded in 2001.

"We would like to thank our limited partners for their cooperation in bringing this fundraising to a timely close," said Daniel Revers, ArcLight's Managing Partner. "Their dedicated support allows us to stay focused on identifying and realizing high value investments in the energy sector rather than raising new funds."
