

TERRA-GEN NAMES PAGANO CEO

2/5/2008

Terra-Gen Power, LLC ("Terra-Gen"), a leading renewable energy company, announced today it has hired James Pagano to act as its Chief Executive Officer. Terra-Gen, owned by affiliates of ArcLight Capital Partners, LLC, owns interests in twenty geothermal, wind and solar generating plants located through-out the United States with a combined installed capacity of 824 megawatts, acquired from Caithness Energy on December 7, 2007.

Mr. Pagano joins Terra-Gen with over 20 years' experience in the power industry. Prior to joining Terra-Gen, Mr. Pagano was with LS Power where he was President of LS Power Development. Prior to joining LS Power, Pagano worked for Caithness Energy and Cogentrix Energy Inc. where he held various positions including Chief Financial Officer of Cogentrix.

"Jim Pagano has a proven track record of value creation in the power generation business, said Dan Revers, Managing Partner of ArcLight. "We are confident that Terra-Gen will make great strides under his leadership."

"Terra-Gen's outstanding renewable assets and seasoned management team combine to create a strong foundation for future growth and success," said Pagano. "The Company's relationship with ArcLight will help to facilitate and finance the expansion of the business to capitalize on the exciting renewable energy opportunities available domestically."
